

DOCKER CARE

4K WRAP AROUND CHILDCARE

REGISTRATION IS NOW OPEN

PROGRAM PHILOSOPHY

Docker Care's program philosophy follows the School District of Ashland's philosophy which is: Inspire and Engage, every student, every day. Docker care will work to create and establish a healthy, safe, nurturing learning environment for all children in care, every day.

LOCATION

Docker Care will take place at Lake Superior Elementary School. Programming will begin at 11:31 AM and will be open until 5:15PM Children will filter from 4K programming into the wrap around care if enrolled.

COST

The cost of Docker Care is broken down into a part time and full time cost. Part time consists of 2-3 days per week and full time consists of 4-5 days per week. Cost for full time care is 29 dollars per day and part time care is 26 dollars per day. Docker Care will accept Wisconsin Shares Subsidy. Families will be required to sign a Docker Care Contract that establishes a set schedule. This schedule can be changed at semester if needed.

ENROLLMENT PROCESS

If interested in enrolling, please contact Carol Beirl (cbeirl@sdak12.net).

An enrollment packet will need to be filled out in its entirety and registration fee paid to complete the enrollment process.
