Hello Oredocker Families!

The 2020-21 academic year is coming to a close and summer is quickly approaching. As we are looking forward to warm weather and sunny days, we are eager to prepare for June and share our summer school options for this upcoming year.

Summer School

In congruence with CDC and DHS guidelines, students attending summer school will be wearing masks, socially distanced, and engaging in courses via cohorts of learners. Families will have the option to choose from set sections of classes for their children to participate. We are offering full day options for the elementary students and individual class selections for the middle and high school students for the weeks of June 14-18, June 21-25, June 28-July 2, July 12-16, and July 19-23.

Please review the linked [catalog](#) of course options. Courses are bundled into sections for cohorting purposes. When registering you will be selecting one section of courses for each week you are planning to attend. If you are interested in signing your child up for summer school please register via the link to our [Skyward Family Access System](#).

Summer Counseling Services

Kelly Sundeen, LSE 3-5 and MVS School Counselor, is currently an LPC Intern and is excited to extend her counseling services over the summer months to adults, teens and children. Counseling sessions will be offered at the Ashland High School and are free of charge. To indicate your interest in counseling services for your child(ren) during the summer please complete the linked [Google Form](#). To schedule an appointment please contact Kelly at sundeenk780@gmail.com. We look forward to working together with you to help ensure your child's success in school and life in general.

If you have questions, please contact Julie Vitek at the District Office via email at jvitek@sdak12.net or 715-682-7080.

Thank you
