3.0 EMPLOYMENT

3.1 EMPLOYMENT OPPORTUNITIES

Employees are encouraged to explore career development opportunities in the District. All employees are encouraged to gain the necessary skills, training, and work experience needed to qualify for advancement opportunities. The District believes in promotion from within whenever practicable and in the best interests of the District. In all cases, the best qualified candidate for the position will be selected as determined by the administration and/or hiring committee and approved by the board for professional and support staff positions. Position vacancies throughout the District are typically advertised on the District website, in the District Office, and at each school building, and e-mailed to all staff. In order to be considered for a position, employees must apply prior to the application deadline. All employees should apply for the position per the instructions on the vacancy notice. The District retains the right to determine whether and when to recruit outside applicants.

An employee who applies for a vacant position prior to the end of the posting period, may be granted an interview for the position. The District retains the right to select the most qualified applicant for any position based upon stated job descriptions (this restriction does not prohibit the District from considering qualifications that are related to the position and exceed those minimum qualifications listed in the job description). The term “applicant” refers to both internal candidates and external candidates for the position. The District retains the right to determine the job descriptions needed for any vacant position.

3.2 HIRING OF RELATIVES

The District has established clear rules regarding the hiring of relatives (nepotism).

Policy 3120 – Employment of Professional Staff

Policy 4120 – Employment of Support Staff

3.3 IMMIGRATION REFORM ACT COMPLIANCE

The District complies with the provisions of the Federal Immigration Reform and Control Act of 1986, including, but not limited to, requiring verification of authorization to accept employment in the United States from all employees.

3.4 JOB DESCRIPTIONS

The Board of Education recognizes that it is essential for staff member accountability that each staff member is fully aware of the duties and responsibilities of their position. Job descriptions document and describe the essential functions for staff positions and thereby promote organizational effectiveness and efficiency. The Administration is responsible for the development of job descriptions in the District. Further, if a copy of a job description is required or desired, the staff member shall ask their immediate supervisor or go to the Human Resources office and request a duplicate copy.

[Policy 3120.01](#) – Job Descriptions (Professional Staff)

[Policy 4120.01](#) – Job Descriptions (Support Staff)

3.5 CONFLICT OF INTEREST

Staff members are expected to maintain high standards of honesty, integrity, impartiality, and professional conduct. Further, staff members are expected to perform their duties in a manner free from conflict of interest pursuant to Section 19.59 Wisconsin Statutes.

[Policy 1130](#) – Conflict of Interest-Private Practice

[Policy 3210](#) – Staff Ethics (Professional Staff)

[Policy 4210](#) – Staff Ethics (Support Staff)

3.6 OUTSIDE EMPLOYMENT AND ACTIVITIES OF STAFF

Employees may not perform any duties related to an outside job during their regular working hours. For more information regarding the Board's expectations concerning interest, activities, or associations that may conflict with the interests of the District, staff members shall review the following:

[Policy 3231](#) – Outside Activities of Staff (Professional Staff)

[Policy 4231](#) – Outside Activities of Staff (Support Staff)

4.0 EMPLOYMENT STATUS AND RECORDS

4.1 NEW EMPLOYEE ORIENTATION

Certified Staff: All newly hired certified staff will participate in a two-day orientation in August to become familiar with the District and to receive basic information about District procedures and initiatives. Each new employee will participate in support seminars during their first year in the District. New certified staff will be assigned a mentor by the Director of Student Learning. The mentor will provide ongoing support and guidance.

Support Staff: All newly hired staff will participate in an orientation training to become familiar with the District and to receive basic information about District procedures and initiatives.

4.2 PERSONNEL FILES

It is critical to effective human resource management and necessary for satisfaction of legal obligations that the District maintains accurate personnel records. Further, the access granted for review and inspection of a personnel file must be completed in accordance with state law. The District shall maintain personnel records of staff members and grant access to inspect or review those records in accordance with policy and state law.

[Policy 8320](#) – Personnel Records

4.3 PERSONNEL FILE RECORD CORRECTION

If there is any disagreement with the content or information contained in an employee's personnel record, the employee will follow the process established to have a correction made to the information in question, have the content in question removed from the file, or submit a written statement explaining the employee's position to attach to the disputed portion of the record.

[Policy 8320](#) – Personnel Records

4.4 PERFORMANCE EVALUATION

The District Administrator has established and will implement a program of staff evaluation. This program shall focus upon the early identification of specific areas in which the staff member needs improvement so appropriate assistance may be provided in a systematic way.

[Policy 3220](#) – Staff Evaluation (Professional Staff)

[Policy 4220](#) – Staff Evaluation (Support Staff)

4.5 ASSIGNMENTS AND TRANSFERS

The District Administrator is responsible for the proper assignment of all staff members in conformance with any legal requirements or certification requirements. Further, staff members may be transferred between schools when the District Administrator determines that it is in the best interest of the students, the school, or the District.

Postings will be for a minimum of five (5) working days. Any vacancy that occurs on or after August 1st will be posted for three (3) working days. The District retains the right to determine whether and when to recruit outside applicants.

When the District determines that an involuntary transfer of an employee is necessary, due to the District's inability to fill a vacancy or a new position according to the procedures set forth above, it may, at its discretion, transfer an employee in the District qualified for the position. The District may also involuntarily transfer an employee if the District determines the transfer will better serve the District's needs.

4.6 LAYOFF NOTICE – SUPPORT STAFF

Whenever the Board determines an anticipated layoff, the employee so affected shall be given a minimum advance notice of thirty (30) calendar days.

Factors to be considered when determining layoffs include, but are not limited to:

- Qualifications
- Performance
- Related experience
- Seniority.

4.7 LAYOFF NOTICE – CERTIFIED STAFF

Whenever the Board determines to layoff certified staff in whole or in part, the layoffs will be pursuant to Wis. Stat. 118.22.

Factors to be considered when determining layoffs include, but are not limited to:

- Qualifications
- Performance
- Related experience
- Seniority.

4.8 STAFF DISCIPLINE

Disciplinary action against employees may be taken for violations of standards of conduct, violations of policies and procedures, or for unsatisfactory work performance. Disciplinary action will typically be taken after an investigation and after giving the employee an opportunity to respond to any and all allegations.

[Policy 3139](#) – Staff Discipline (Professional Staff)

[Policy 4139](#) – Staff Discipline (Support Staff)

Level of Discipline: The level of discipline imposed will take into consideration the seriousness of the infraction as well as the employee's performance record. When appropriate, discipline should be corrective in nature. At the Employer's sole discretion, various types of employee discipline or corrective action may be imposed which include, but are not limited to, the following: verbal warning, written warning, suspension, or termination. Employee discipline for purposes of access to the grievance procedure is defined to include only termination, disciplinary suspensions, and disciplinary demotions. None of these disciplinary measures are required to be used before termination from employment occurs, nor are the listed disciplinary actions required to be used in any specific order. The Employer may repeat disciplinary action.

Employees are expected to work in a competent and conscientious manner which reflects favorably upon the employee and the School District of Ashland. The following is a list of examples of behavior which would normally justify disciplinary action:

- Fraud in securing employment
- Theft
- Incompetency
- Inefficiency
- Unauthorized absences
- Repeated absence or tardiness or improper use of leave
- Neglect of duty
- Insubordination or willful misconduct
- Dishonesty
- Falsification of records
- Assuming duties while under the influence of controlled substances or intoxicants; or possession of use of intoxicants or controlled substances during working hours
- Failure to inform supervisor of lawful use of a prescription drug which impacts the employee's ability to perform their job duties
- Conviction of a felony or misdemeanor, the circumstances of which are substantially related to the duties performed
- Negligence or willful damage to property
- Discourteous treatment of students, the public, or fellow employees
- Failure to obtain and maintain a current license or certification as required by law or Employer
- Failure to maintain effective working relationships with other employees or the public
- Sexual or other unlawful harassment
- Workplace violence
- Violation of any lawful order, directive, policy, or work rule.

The offenses listed above are not intended to be all-inclusive, and discipline, including termination, may occur for any other reason depending upon the seriousness of the offense, the particular facts and circumstances surrounding the incident(s), and the employee's record of prior disciplinary actions.

Documentation: All discipline shall be documented with a copy provided to the employee and a copy placed in the employee's personnel file.

4.9 SEPARATION FROM EMPLOYMENT

The Board may eliminate or reduce staff positions as necessary. Separation from employment includes, but is not limited to, resignation, retirement, reduction in workforce, failure to return from approved leave, termination, nonrenewal, or discharge from employment. Such employment separations may be voluntary or involuntary. If an employee decides to voluntarily terminate employment with the District, the District requests at least two weeks' advance notice so any necessary replacement employees can be recruited or otherwise assigned. Upon any separation from employment, compensation and benefits which the employee has earned and accrued will be credited to the employee pursuant to law. The employee's last day worked will in most cases be considered the employee's last day of employment. The District reserves the right to determine the last day of employment. An employee is required to return all keys, identification badge, credit cards, laptop computer, access passes or swipe cards, confidential documents, and any other assigned or possessed District owned property to their immediate supervisor

before departure. A decision by the District to terminate a staff member's employment may be subject to review consistent with:

[Policy 3340](#) – Grievance Procedure (Professional Staff)

[Policy 4340](#) – Grievance Procedure (Support Staff).

Staff members may resign in accordance with the terms of their individual employment contract.

[Policy 3140](#) – Termination, Non-Renewal and Resignation (Professional Staff)

[Policy 4140](#) – Termination, Non-Renewal and Resignation (Support Staff)

4.10 GRIEVANCE PROCEDURE

Each staff member of the District shall be provided an opportunity to understand and resolve matters affecting employment that the employee believes to be unjust as provided. A grievance procedure is available in the case of any employee's disagreement with discipline or termination of employment, as well as any matter relating to workplace safety or the interpretation or application of written District policies or written procedures.

[Policy 3340](#) – Grievance Procedures (Professional Staff)

[Policy 4340](#) – Grievance Procedures (Support Staff)

5.0 EMPLOYEE PAY AND BENEFITS AND WORK HOURS

5.1 HOURS OF WORK / WORK SCHEDULES / CALENDARS

It is the District's goal to provide employees with regular work hours and work schedules while ensuring staffing coverage necessary for effective operations.

5.2 NORMAL HOURS OF WORK

Certified staff are professional employees as defined by the federal Fair Labor Standards Act and the Wisconsin Municipal Employee Relations Act, § 111.70(1) (L), Wis. Stats. Although professionals' work is not limited to any specified number of hours or days per week, the "normal" hours of work for full-time employees in positions authorized as "40 hours per week" are considered to be eight (8) hours per day Monday through Friday, including a (free from scheduled responsibility) thirty (30) minute lunch period.

The District has established all school building working hours as 8:00 AM – 4:00 PM for certified staff, unless alternative schedule arrangements are submitted via the Certified Employee Annual Work Schedule Change Notice Form by the third Friday in September and approved by the employees direct supervisor for the entire school year. However, certified staff may leave at 3:30 PM on Fridays unless a meeting, an in-service activity, or professional development activity is scheduled requiring staff attendance. For purpose of an employee requesting leave, time off must be submitted to reflect an 8- hour day (until 4:00 PM). For example, an employee who does not work on a Friday is to submit 8 hours of leave.

Professional Hours:

- A. The concept of professional hours means that a certified staff member and their appropriate supervisor(s) will determine the certified staff's hours based upon the completion of their duties and the needs of their student(s).
- B. Certified staff are responsible for the completion of their duties as set forth in the job description and those other duties specific to each position.
- C. Professional work hours shall be governed by the following:
 - a. The starting and ending times for employees are determined by the Board. The normal work day will be 8 continuous hours.
 - b. Certified staff are required to attend administratively called meetings.
 - c. A certified staff member and their appropriate supervisor(s) will determine the employee's hours based upon the completion of their duties and the needs of their students.
- D. It is not the intent of the professional hours section to require more or fewer meetings and conferences, nor is it the intent to have certified staff present only in the classroom during instructional time and disregard their normal responsibilities.

Staff Meetings:

Certified staff are required to attend all mandatory administratively called staff meetings. Administratively called meetings may begin before the normal workday begins or later than the end of the normal workday. The administration shall attempt to provide reasonable notice of all such meetings. Certified staff who are required to attend administratively called meetings will receive no additional remuneration, above their regularly paid salaries, for attending such meetings.

Other Administratively Called Meetings and Assigned Duties:

The notification and duration provisions above may not include nor shall they apply to meetings of individual educational plans teams, the preparation of individual education plans, parent-teacher conferences, department meetings, open houses, music programs, art shows, communication with parents/guardians, and/or other District or building functions that normally occur outside of the school day or activities of similar nature, which are normally conducted at other times. Certified staff are required to attend such events regardless of the date, time or duration of said meetings. Certified staff who are required to attend other administratively called meetings or other professional expectations will receive no additional remuneration, above their regularly paid salaries, for attending such meetings. Notice of such meetings shall be of reasonable length.

Support staff work schedules will be determined by their supervisors.

Full-Time: The normal workweek for full-time employees shall be (40hrs/wk. or 80 hrs/pay period). All full-time employees shall have an unpaid designated lunch period.

Part-Time: The normal workweek for any part-time employee shall be designated by the School District of Ashland.

Breaks: Hourly employees working a full shift will receive two (2) fifteen (15) minute breaks, one in each half of the shift. Hourly employees working less than a full shift shall receive one (1) break.

Sign-Out: Employees shall be permitted to leave their building during their lunch period for any reason. Certified staff may leave school during one (1) prep period per day, provided they are not scheduled to attend a meeting within the school and have signed out. To support dismissal of students, certified staff are to be in the building the last 30 minutes of their work day. Limited exceptions may be made with building administrator approval.

5.3 IN-SERVICE & PROFESSIONAL DEVELOPMENT PROGRAMS ATTENDANCE

Unless expressly excused or directed by her/his supervisor, or unless absent from work for a recognized and excusable reason, every employee is to attend and participate in scheduled inservice training and professional development programming that is held for staff during regular work hours.

5.4 PAYROLL & DEDUCTIONS FROM PAYROLL

Payroll and payroll procedures shall be standardized in accordance with applicable State and Federal guidelines.

Pay Periods: Paychecks are normally deposited, by direct deposit bi-weekly on Thursdays. (If payday falls on a holiday, the pay date will be the day before the holiday.)

Data Changes: It is the employee's responsibility to notify the District Office if any changes occur in their name, home address, telephone number(s), marital status, name or number of dependents, number of tax exemptions, insurance classification, beneficiary changes, or individuals to be contacted in case of emergency. This information is necessary as it may affect the employee's compensation, dependents' eligibility for medical insurance, and other important matters.

Deductions: It is the Employer's policy to comply with applicable wage and hour laws and regulations. If an employee has any questions or concerns about their salaried status or believe that any deduction has been made from their pay that is inconsistent with their salaried status, the employee should immediately raise the matter with the Payroll Representative who can assist in understanding the information that is required in order to investigate the matter.

The Employer is committed to investigating and resolving all complaints as promptly, but also as accurately, as possible. Consistent with the U.S. Department of Labor's policy, any complaint will be resolved within a reasonable time given all the facts and circumstances. If an investigation reveals that the employee is subject to an improper deduction from pay, the employee will be reimbursed and the Employer will take whatever action it deems necessary to ensure compliance with the salary basis test in the future.

5.5 TOTAL BASE WAGES & OTHER FORMS OF COMPENSATION

State law authorizes collective bargaining for total base wages only. Premium pay, merit pay, automatic pay progressions, and any other form of supplemental compensation may be considered, but not bargained, by the employer.

A copy of the Teacher Pay Scale, as approved by the Board, can be obtained by contacting the District Office. See also Appendix B

5.7 SUMMER SCHOOL WORK RULES

In the interest of providing a larger number of Ashland students the opportunity to engage in high-quality summer learning experiences, the following guidelines have been implemented:

1. Summer school courses will be taught by a certified teacher. The District retains the right to determine whether and when to recruit outside applicants.
2. In order for all courses to run, there must be a minimum of fifteen (15) students enrolled per class by a cut-off date set by the District.
3. Preparation time will be paid at the same summer school hourly rate. Teachers will be given one hour of paid preparation time for every five (5) hours of teaching. Lesson plans will be completed and delivered to the Summer School Principal a week before summer school begins.
4. Administration will have sole discretion in determining the final selection of courses offered.

5.8 OVERTIME

To provide a consistent system for distributing overtime in compliance with the overtime-pay provisions of the Fair Labor Standards Act, each position is designated as either “non-exempt” or “exempt” from the federal Fair Labor Standards Act and state wage and hour laws. Employees in “non-exempt” jobs are paid on an hourly basis and are entitled to overtime pay for hours worked in excess of 40 hours per week (support staff). Compensatory time in lieu of overtime pay may be offered, but is limited to 40 hours per fiscal year. All other overtime will be paid. Holidays as outlined section in 5.10 will apply as hours worked in the calculation of 40 hours. Employees in “exempt” positions are generally paid on a salary basis and are excluded from specific provisions of federal and state wage and hour laws and are not eligible for overtime pay (certified staff). Employees should contact their supervisor if they are unsure of their position’s designation.

Non-exempt employees will have the option to elect compensatory time in place of overtime. All compensatory time must be used by June 30th of the current school year.

Accrual: Any paid leave time shall not be counted as hours worked for overtime purposes.

Approval: Use of vacation time requires the prior approval of the employee's supervisor.

All vacation days earned in an employee's anniversary year must be used by the anniversary date (i.e. date of hire) or the vacation days will be lost. The School District recognizes that job responsibilities may restrict the use of vacation in a timely manner, so there is a three-month grace period. If, however, at the end of the grace period, there are still unused carried-over vacation days, the unused vacation will no longer be available for use by the employee.

5.11 LEAVES – SICK LEAVE

The School District of Ashland will provide employees with paid time to address their own personal health care needs or the health care needs of an immediate family member.

Staff members who have an excess of 120 sick days at the end of the school year will be allowed to bank these accumulated days, not to exceed twelve (12) per year, at a rate of \$100/day. Funds will be deposited into an HRA at the time of retirement (addendum D/Eligibility) with the School District of Ashland.

See Addendum D for further details.

5.12 LEAVES – EMPLOYEE VOLUNTARY SICK LEAVE FUND

1. If an employee exhausts their sick leave accumulation (i.e., vacation and personal leave) due to personal illness, the employee may notify the District Office for implementation of the voluntary sick leave fund. "Personal illness" may include an employee's recovery from child birth and any medical complications arising from the pregnancy. The voluntary sick leave fund may also be used to cover up to six (6) weeks of maternity/paternity leave.
2. The District Office shall notify employees, through a standardized form, listing the employee in need of coverage and the projected number of days needed.
3. Employees may voluntarily contribute a maximum of two (2) sick leave days per request, provided the donating employee has at least thirty (30) sick leave days remaining.
4. The employee in need of coverage will be provided with sick leave days by a random drawing from the sick days donated. Donating employees will lose one (1) sick day per drawing until all donating employees have lost one (1) day.

5. The sick leave days remaining in the fund will be returned to the donating employees whose days were not drawn.
6. Donating employees will remain anonymous to the receiving employee.
7. When an employee becomes eligible for long-term disability benefits, the employee is required to apply.
8. In the event the District has reason to believe that an employee is abusing the voluntary sick leave fund, the Board reserves the right to immediately cease utilization of the voluntary sick leave fund.
9. Employees may only donate sick leave under this provision to others within the same employment classification.

5.13 LEAVES – FMLA

Requests for additional leave must be made in writing to the superintendent.

The reasons for the extended medical leave shall be limited to physical and/or mental illness, and the granting of the leave shall be subject to written verification from a physician certifying that such condition exists. The extended medical leave shall be without pay, but the District shall continue its health insurance premium contributions, on behalf of the employee, at the same rate as for active employees, for the first nine (9) months of the leave. Thereafter, the employee’s right to remain in the District’s group health insurance plan, at their own expense, shall be pursuant to state and federal law. Upon receipt of written verification from a physician certifying the employee’s fitness to return to work before the expiration of the leave, the employee shall be returned to their position or an equivalent position.

In the event a physician does not certify the employee's fitness to return to work prior to the expiration of the leave, the employee's employment rights may be deemed terminated. Further, if the employee is found to be totally disabled by the Wisconsin Retirement System (WRS), the health leave will be terminated.

5.15 LEAVES – UNPAID (PAY DEDUCTS)

The District may approve additional unpaid leave requests. Employees must obtain permission before taking an unpaid leave. While on such a leave, the employee shall not receive or accrue any fringe benefits. Employees will be responsible for all fringe benefit costs associated with leave requests.

If an employee is dismissed from jury duty on any given day prior to the end of their regularly scheduled working hours, they shall report to work for the balance of the working day. Employees will be compensated their regular wages for each day of jury duty served, if scheduled to work, provided that the employee remits all compensation received for such duty (exclusive of travel pay or actual expenses) within three (3) days of receipt thereof.

5.18 LEAVES – FLOATING HOLIDAY – INCLEMENT WEATHER (Secretaries, Full-Year Support Staff Excluding Custodians/Maintenance)

5.20 LEAVES – EMERGENCY CONDITIONS

If days scheduled are lost during the school year for inclement weather, the first two (2) days and the fifth (5th) day shall not be made up (no loss of pay) if state attendance requirements have been met. For any additional days lost, staff members will be required to make up the days.

Early Release - If the decision is made to release school early due to inclement weather, all employees are required to stay in the building until students are safely cleared from the building and notified by the building administrator.

5.21 LEAVES – PERSONAL

Employees who are contracted for less than seventy-five percent (75%) will have their fringe benefits pro-rated

Employee Contribution: All full-time employees are required to pay twelve percent (12%) of total monthly health insurance premiums. Part-time employees are required to pay twelve percent (12%) of the total monthly health insurance premiums plus the pro-rated portion of the remaining health insurance premium.

COBRA: Under state law and the Federal Consolidated Omnibus Budget Reconciliation Act of 1985 (“COBRA”) and subsequent amendments to the Act, employees covered under an employer’s group health care plan are eligible for continuation of health care coverage under the group plan upon the employee’s termination (except for gross misconduct) or reduction in hours. COBRA regulations also allow the employee’s spouse and covered dependents to elect continuation coverage upon the employee’s death, divorce or legal separation, an employee’s entitlement to Medicare, a dependent’s loss of dependent status under family coverage, or the employer’s filing of a bankruptcy proceeding.

All employees, as well as their qualified dependents, will receive notice of mandated insurance continuation benefits at the time of hire or whenever the plan coverage for the employee begins. If a qualifying event occurs which entitles the employee and/or qualified dependents to continuation coverage, the plan administrator will notify the qualified beneficiaries of their right to elect continuation coverage. Unless otherwise agreed, continued participation is solely at the participant’s expense.

In accordance with the timeline outlined below, employees are required to report the following status changes to the District Office to ensure their accessibility to COBRA benefits:

Early Retirement: Provisions are outlined in Addendum D.

5.26 SECTION 125 PLANS

The District offers a pre-tax contribution option for employees. A Section 125 plan is a benefit plan that allows employees to make contributions toward premiums for medical insurance, dental insurance and out-of-pocket medical expenses or dependent care expenses on a “before tax” rather than an “after tax” basis. Premium contributions and qualified expenses are deducted from an employee’s gross pay before income taxes and Social Security are calculated. 6.2 EMPLOYEE CODE OF ETHICS

All staff members are expected to conduct themselves in accordance with the District's Code of Ethics.

The Board of Education expects all staff members to maintain high standards in their working relationships, and in the performance of their professional duties to:

- Recognize basic dignities of all individuals with whom they interact in the performance of duties;
- Represent accurately their qualifications;
- Exercise due care to protect the mental and physical safety of students, colleagues, and subordinates;
- Seek and apply the knowledge and skills appropriate to assigned responsibilities.
- Keep in confidence legally confidential information as they may secure;
- Ensure that their actions or those of another on their behalf are not made with specific intent of advancing private economic interests;
- Avoid accepting anything of value offered by another for the purpose of influencing judgment;
- Refrain from using position or public property, or permitting another person to use an employee's position or public property for partisan political or religious purposes without specific preapproval of the School Board. This will in no way limit constitutionally or legally protected rights as a citizen.

6.3 CONFERENCE AND CONVENTION ATTENDANCE

District employees may attend conferences and conventions that are likely to improve their job-related knowledge and skills. An administrator shall approve/deny all staff member requests to attend conferences and seminars. Certified staff must complete a request for professional development activities within **fifteen (15) days prior** to the activity. All reimbursements shall be made within the limits of the budget and policy guidelines after a conference follow-up form is completed. The number of staff members attending any conference/seminar is subject to the discretion of the administration.

6.4 COPYRIGHTED MATERIALS

Employees are expected to comply with the provisions of federal copyright laws relating to the unauthorized use, reproduction, distribution, performance, or display of copyrighted materials (i.e. printed material, videos, computer data and programs, etc.). Rented videotapes are to be used in the classroom for education purposes only. Duplication or backups of computer programs and data must be made within the provisions of the purchase agreement.

6.5 GRANT APPLICATIONS

No employee may apply for a grant in the name of the School District of Ashland, or any school, program, or activity of the District unless, prior to its submittal to the grantor, the building principal and district administrator has been provided with the grant application or proposal at least fifteen (15) business days before it is submitted to the grantor. The building principal and district administrator must approve the application before it may be sent to the grantor. **All grant applications and award notifications must be forwarded to the business office.**

6.6 HOT LUNCH PROGRAM

The School District offers lunch and breakfast at all schools in the District. The District uses an automated lunch accounting system to record food service payments and to monitor food purchase transactions. The automated system functions as a debit system. Staff must contact the appropriate food service staff member in their building to be assigned a 4-digit Personal Identification Number (PIN). After making a meal selection, a staff member enters the PIN on the keypad at the cashier's table; the purchase is subtracted from the staff member's account.

6.7 MAIL AND NOTICES

Staff is assigned a mailbox where mail and school notices are placed. It is the responsibility of staff members to check this mailbox daily. Do not send a student to check the mailbox. There may be student records or personal items for the staff member or other confidential information.

All requests for maintenance work should be submitted through the website on a work order. Non-exempt employees who are given a District communication device (smartphone, iPad, etc.) or whose personal communication device is connected to the District's network or e-mail accounts, are not required to read or respond to e-mails outside of working hours. If a non-exempt employee chooses to read or respond to work e-mails on his or her own time, he or she will not be compensated for the time spent doing so.

The Fair Labor Standards Act (FLSA) classifies this time as "de minimis," since most e mails can be read and responded to in just a few minutes. De minimis, in this context, means "insubstantial or insignificant periods of time beyond the scheduled working hours, which cannot as a practical administrative matter be precisely recorded for payroll purposes."

6.11 PERSONAL PROPERTY

Do not leave money, purses, or other valuables in an unsecured place at school or in your car. The District is not responsible and will not reimburse staff for losses.

The School District of Ashland values preparation time for teachers. Every full-time teacher will have a regularly scheduled time during the work day for preparation purposes.

6.16 ATTENDANCE AND REPORTING ABSENCES

An employee has the obligation to report to work at their scheduled time each day. The employee should be alert to weather conditions and all other contingencies so as to ensure arrival at work on schedule. Excessive absenteeism may be considered reason for disciplinary action, including discharge. Any time an employee is unable to work, the employee must notify his or her supervisor as far in advance as possible. Failure to call or report for duty as scheduled may result in automatic termination of employment.

Since many School District of Ashland jobs are interdependent, failure to report to work on time can often disrupt multiple jobs. Therefore, it is imperative that employees report for work as scheduled. Repeated delay in starting work shifts may result in disciplinary action.

Planned Absences: Certified staff, secretarial, and assistant staff who cannot come to work for a planned occasion are required to go online to the Absence Management System (formerly AESOP) website at www.aesoponline.com or call 1-800-942-3767 to request a sub up to a year in advance.

Between 7:00 AM – 7:30 AM, please contact the Substitute Coordinator at 715-682-7080 ext. 6006 to arrange for a substitute. After the school day starts (7:30 AM), you must report your absence in person or by phone to the school office to reserve a sub. Time off must be entered in advance or within a day of the absence.

All remaining staff who are unable to report to work must enter their time off into Skyward Employee Access and should follow the procedure(s) outlined by their supervisor.

6.17 USE OF EMPLOYER PROPERTY/EQUIPMENT

The Board of Education believes that District-owned equipment is a valuable resource which may be loaned for community use under certain conditions only, provided that such use does not infringe on the original and necessary purpose of the equipment or interfere with the educational program of the District. The Board may lend specific items of equipment on the written request of the user and approval granted by the District Administrator or designee. The user of District-owned equipment shall be fully liable for any damage or loss occurring to the equipment during the period of its use, and shall be responsible for its safe return.

[Policy 7530](#) – Lending of District-Owned Equipment

6.18 USE OF PERSONAL PROPERTY AT SCHOOL

Employees may wish to bring personal property to school, either for reasons associated with their professional responsibilities or for use during off-duty time. All personal property must meet School District of Ashland safety criteria.

6.19 PERSONAL COMMUNICATIONS

Employees are expected to use discretion in using personal communication devices while at work. Employees are expected to limit personal communication to their breaks and their lunch period and to inform friends and family members of the Board's policy in this regard. It is acceptable to use personal communication devices to communicate with student families as part of the instructional program, but it must be secondary to their obligations to their students, including both instruction and supervision.

6.20 EMERGENCY CLOSINGS

The District Administrator shall make the decision regarding emergency closings in accordance with the Plan for Emergency Preparedness as established.

6.21 TRAVEL EXPENSES

The Board of Education may provide for the payment of the actual and necessary expenses, including travel expenses, of any staff member that are incurred in the course of performing services for the District, whether within or outside the District, under the direction of the Board and in accordance with the District Administrator's administrative guidelines.

8.2 ELECTRONIC MEDIA AND SOCIAL MEDIA POLICY

It is the policy of the District that information, in all its forms, written, spoken, recorded electronically, or printed, will be protected from accidental or intentional unauthorized modification, destruction, or disclosure. All electronic media must be protected from misuse, unauthorized manipulation, and destruction. Further, it is the policy of the District that employees may not use social media technology to engage in or post communications or material that would violate any Handbook policy, including, but not limited to, using technology to post communications or materials that are derogatory or offensive with respect to race, religion, gender, sexual orientation, national origin, disability, age, or any other legally protected class status.

General Guidelines - Electronic Media:

1. All District-provided electronic media systems are the District's property. Additionally, all messages and files composed, sent, or received on these systems are and remain the property of the District. They are not the private property of any employee.
2. The use of our electronic media systems is reserved solely for the conducting of business, during work hours. However, if employees wish to use these systems during breaks, lunch periods, or before and after regular working hours, they may do so, but employees are specifically prohibited from using these services for any illegal, illicit, immoral, or offensive purposes.

Non-employees: May not solicit or distribute written materials on behalf of any organization, fund, activity or cause. Solicitations for charitable organizations are exempt as long as the organization is sponsored by an employee and prior permission has been secured from management. The same restrictions regarding working time and working areas apply to non-employees.

9.0 MISCELLANEOUS

9.1 EQUAL EMPLOYMENT OPPORTUNITY

The Board of Education does not discriminate in the employment of staff on the basis of any characteristic protected under State or Federal law, including, but not limited to: race, color, age, creed or religion, genetic information, handicap or disability, marital status, citizenship status, veteran status, military service (as defined in Section 111.32, Wisconsin Statutes), sexual orientation, national origin, ancestry, arrest record, conviction record, use or non-use of lawful products off the District's premises during non-working hours, or declining to attend an employer-sponsored meeting or to participate in any communication with the employer about religious matters or political matters or any other characteristic protected by law in its employment practices.

The District's policy objective is to employ individuals who are qualified for specific work by such job-related standards as experience, demonstrated attitude and skill, education, training, overall ability, and other relevant considerations. Specific complaints of discrimination or harassment issues should be filed pursuant to the District's discrimination complaint procedure as follows:

PROCEDURE - Any party to the complaint may retain and have counsel present at any or all steps. The complainant shall first attempt to resolve the complaint through discussion with the person(s) who allegedly discriminated. This informal procedure should be utilized before a formal complaint is filed. A complaint may be withdrawn by the individual at any step. The compliance officer of the District is available as a consultant upon request.

Level 1: If the matter is not resolved informally, the complaint shall be presented in writing on the established complaint form and submitted to the complainant's immediate supervisor or the District's compliance officer. If the complainant's immediate supervisor or the District compliance officer is the subject of the complaint, the complaint shall be filed with the supervisor next highest in authority. The complaint shall include the nature of the situation, facts upon which it is based (dates, places, persons, actions), and the relief requested. The supervisor or the compliance officer shall give a written answer. If a resolution of the complaint results at this step or any of the following steps, the terms of the resolution shall be recorded by the supervisor or the compliance officer and shall be signed by all participants.

Level 2: If the complaint is not satisfactorily resolved as provided in level one, it may be appealed to the superintendent or appropriate administrative official. After receipt of the appeal, the superintendent shall meet with the parties involved and shall issue a decision in writing after the meeting. Copies of this decision shall be sent to the District compliance officer and to the complainant.

Level 3: If the complaint is not satisfactorily resolved at level two, it may be appealed to the Board of Education. The Board shall meet with the complainant after receiving the written complaint or at its next scheduled meeting, and render a decision in writing after this meeting. Copies of this decision shall be filed with the compliance officer and the complainant.

Level 4: If a complainant wishes to appeal a negative determination by the Board, they have the right to appeal the decision to the state superintendent within 30 days of the board's decision. Address appeals to State Superintendent, Wisconsin Department of Public Instruction, Post Office Box 7841, Madison, WI 53707. Nothing in these procedures shall preclude an employee or applicant for employment from pursuing other avenues afforded by law to deal with a discrimination complaint (Equal Rights Division of the Department of Workforce Development, Office of Civil Rights, courts having proper jurisdiction, State Superintendent of Public Instruction).

If the staff member has questions regarding equal employment opportunity or how to file a complaint regarding equal employment, he or she should refer to:

9.2 ANTI-HARASSMENT POLICY

The Board of Education is committed to a work environment that is free of harassment of any form. The Board will not tolerate any form of harassment and will take all necessary and appropriate action to eliminate it. Any member of the School District community who violates this policy will be subject to disciplinary action, up to and including termination of employment. Additionally, appropriate action will be taken to stop and otherwise deal with any third party who engages in harassment against our employees.

For purposes of anti-harassment, "School District community" means individuals subject to the control and supervision of the Board, including, but not limited to, student, teachers, staff, volunteers, and Board members. "Third party" means individuals outside of the School District community who participate in school activities and events authorized by the Board including, but not limited to, visiting speakers, participants on opposing athletic teams, and vendors doing business with, or seeking to do business with, the District.

Harassment may occur employee to employee, student to employee, male to female, female to male, male to male, or female to female.

The District Administrator has prepared written administrative guidelines for staff members to follow when reporting alleged harassment. The process that will be followed when conducting an investigation regarding alleged harassment that is prohibited is also set forth in these administrative guidelines.

ADDENDUM E (STUDENT SUPERVISION AND WELFARE)

Employees are expected to familiarize themselves with the School District of Ashland's Bylaws and Policies. Below is a summary of some of the key provisions.

E.1 ACADEMIC INTEGRITY

Schools serve as learning environments both on the basis of instruction but also in terms of how one behaves in the larger world. Academic integrity must govern every level of teaching and learning. Tests must be administered and taken with complete honesty. Suspicions of copying must be addressed. Plagiarism must be explained so students understand the difference between correctly using resources and copying. Certified staff are expected to consistently employ safeguards that discourage dishonesty and promote academic integrity.

E.2 CHILD ABUSE SUSPECTED

All District employees are mandatory reporters and are required by law to report suspected child abuse or neglect. Reports should be made to Ashland County Human Services, Bayfield Human Services, or Indian Child Welfare. It is the responsibility of the person suspecting the abuse to notify their immediate supervisor and make certain a report is made. Failure to do so may result in prosecution. No employee making a report under this policy may be discharged from employment for doing so.

[School District of Ashland - Mandatory Reporting Form](#)

E.3 CONFIDENTIALITY

Employees are expected to protect sensitive information and confidential records of the District, its students, and employees. Furthermore, employees with authorized possession of or access to sensitive or confidential documents are personally responsible for protecting the unauthorized disclosure, improper use, or distribution of information contained in these documents and for returning them to the District upon termination of employment. Employees are not authorized to disclose any information regarding District partners or vendors without their expressed written consent. Confidentiality is very important in establishing and maintaining a strong staff/student relationship. It is important that staff members are aware of the rights of individuals to privacy and to respect the confidential nature of information concerning students. A staff member may consult and collaborate with other professionals for purposes of more effectively helping the student. What staff see, hear, or discuss in school stays in school. Discussions about a child need to be directed to persons directly working with that child. Beyond that, those discussions become gossip. There is a definite distinction between "need to know" and "want to know." Don't discuss child issues and child behaviors in the presence of the child, unless the child is involved in the discussion. Be sensitive to how a child might interpret (or misinterpret) an adult's words. For more information regarding applicable state and federal laws and regulations, including, but not limited to FERPA, HIPAA and Wis. Stat. § 118.125, please contact the District Office.

E.4 CONTROVERSIAL ISSUES IN THE CLASSROOM

A controversial issue is a topic likely to arouse both support and opposition in the community. The District will permit the introduction and proper educational use of controversial issues provided that their use in the instructional program is related to instructional goals of the course of study and level of maturity of the students, does not tend to indoctrinate or persuade students to a particular point of view, encourages open-mindedness, and is conducted in a spirit of scholarly inquiry. Contact your building principal with questions.

[Policy 2240](#) – Controversial Issues in the Classroom (Program)

E.5 CORPORAL PUNISHMENT/USE OF PHYSICAL FORCE

School District employees may not use corporal punishment in any of its forms. School employees are not prohibited, however, from using reasonable and necessary force:

- To quell a disturbance or prevent an act that threatens physical injury to any person;
- To obtain possession of a weapon or other dangerous object within a student's control;
- For the purpose of self-defense or the defense of others or for the protection of property in accordance with state statutes;
- To remove a disruptive student from school premises, a motor vehicle, or school-sponsored activity;
- To prevent a student from inflicting harm on himself or herself; or
- To protect the safety of others.

Further, school officials and employees are not prohibited from using incidental, minor or reasonable physical contact designated to maintain order and control. The building principal shall be notified immediately after any application of force.

E.6 COURT ORDERS

Parents/guardians must supply their child's school with a copy of any type of court order that may affect the student, e.g., who may visit the child, etc. A copy of the order will be maintained in the child's cumulative file. Staff must adhere to court orders, with any questions directed to District Administration.

E.7 CULTURAL DIVERSITY

The School District of Ashland comprises individuals of diverse racial, ethnic, and cultural backgrounds, national origins, religious and political beliefs, ages, and physical abilities. The District welcomes this diversity and is committed to maintaining a supportive learning and working environment for all persons. Accordingly, the District supports policies, programs, events, and co-curricular activities that enhance awareness and appreciation of cultural and individual diversity, promote community, and encourage full participation of all members and groups in every aspect of school life.

E.8 CUMULATIVE FOLDERS

Cumulative folders are the permanent records kept on every student. The number of days of attendance, report cards, and other general information can be found there. Certified staff are responsible for reviewing the cumulative folders of their students.

E.9 CYBER BULLYING

Cyber bullying involves the use of information and communication technologies such as e-mail, cell phone and pager text messages, instant messaging, defamatory personal web sites, and defamatory online personal polling web sites, to support deliberate, repeated, and hostile behavior by an individual or group, that is intended to harm others. Usage and employment of network systems (data, video, or voice) to harass, intimidate, or bully is described as cyber bullying, and is unacceptable and subject to disciplinary action. Individuals who are found guilty of cyber bullying shall be subject to appropriate discipline, up to and including termination and/or non-renewal. Other consequences, including, but not limited to, prohibiting computer use and possible referral to prosecuting authorities, may also occur if deemed appropriate by the administration.

E.10 DISRUPTING THE EDUCATIONAL PROCESS

Any employee who participates in or encourages activities that disrupt the educational process or the operations of the District may be subject to disciplinary action, including termination. Behavior that disrupts the educational process includes, but is not limited to:

- Conduct that threatens the health, safety, or welfare of others;
- Conduct that may damage public or private property (including the property of students or staff);
- Illegal activity;
- Conduct that interferes with a student's access to educational opportunities or programs, including ability to attend, participate in, and benefit from instructional and extracurricular activities; or
- Conduct that disrupts delivery of instructional services or interferes with the orderly administration of the District, school and school-related activities, or District operations.

E.11 DIVORCED/SEPARATED PARENTS

The District shall maintain strict neutrality between parents who are involved in a legal action affecting the family, unless otherwise directed by court order. It is the responsibility of the parent(s) to notify the District of any such court order. The enrolling parent of the child is responsible for informing the school of names and mailing addresses of both parents. The parent of any student enrolled in school may be provided all report cards, notices of school activities, disciplinary reports, conference appointment or summaries, or other student records unless otherwise curtailed or restricted by a provision of a court order which had been provided to the principal. The parent may participate in all activities, including conferences, unless a court order provides otherwise.

The school generally will conduct only one meeting for parents at appropriate times in which both parents will be permitted to participate. The building principals shall develop specific, positive procedures for sharing information with parents. When the District has been notified, the principal shall inform certified staff of those students for whom a parent's access to information has been restricted by court order. A student enrolled in the District may be released from school to either parent, unless a parent has presented a court order or other legally binding document which prohibits such a release.

E.12 FIELD TRIPS

All field trips which take students away from the school premises but do not involve overnight arrangements must be approved by the building principal, director of student learning, and the business manager. All requests will be made through the building principal and must include complete details of the trip, including financing. No reservations or trip arrangements can be made until final approval is received. All fundraisers for financing trip activities must have prior approval by the building principal. Upon approval of the trip, the principal's secretary will confirm transportation arrangements with Lake Shore Buses not less than three (3) full days in advance of the trip. Building principals will determine if financing is available for the trip. If funding is not available, the field trip may be allowed but the total cost must be paid by the students. (Also see emergency notification cards, permission slips, and fundraising.)

E.13 FIELD TRIPS - EXTENDED

The Board has authorized the superintendent to approve extended field trips for students at their discretion. An extended field trip is any trip involving overnight arrangements for five (5) or more days. Before any extended field trip is approved, the superintendent shall review the instructional purposes of the trip, transportation and/or lodging arrangement, financial responsibilities, and District legal responsibilities and liabilities. A field trip packet for extended field trips is available in your building office or on the District's website at www.ashland.k12.wi.us - Staff - Forms - School-Wide Forms.

E.14 FUNDRAISING

All fundraising activities must be conducted under the direct supervision of staff or other authorized individuals and approved by the building principal or designee prior to the activity being initiated. Contact your school office for the form. Fundraising requests must include an explanation or justification for the proposal consistent with building and/or District goals. Fund raising must not interfere with or disrupt school. All money raised must be documented by receipts and deposited in a specific District or building bank account. Staff and students should take all reasonable precautions to provide for the security of any items/materials/products being sold. Staff members are directed to follow established building procedures for the depositing of funds collected. At no time should money collected be allowed to accumulate in classrooms, lockers or other unsecured areas.

[Policy 6605 - Crowdfunding](#)

E.15 GUEST SPEAKERS

Guest speakers may be used by certified staff from time to time, when such use is consistent with educational goals and with a demonstrable relation to the curricular or co-curricular activity in which the participating students are involved. Certified staff are expected to inform the building principal or designee of the date, time, and nature of the presentation whenever such use is planned. Prior approval from the building principal or designee may be required.

E.16 HEALTH REFERRALS

All student health concerns should be referred to the school nurse or health assistant. No medication is to be distributed by classroom staff. The school nurse/health assistants will be in contact with certified staff regarding students who have health issues. In some instances, accommodations for their educational needs may be necessary. All prescription medications for students must be kept in the health office, and only dispensed by individuals designated to do so. However, consistent with Policy 5330.01, a student may possess and self-administer medication for chronic diseases or medical conditions provided the student's parent/guardian files a written authorization with the principal. The written authorization

must be filed annually. A physician's written statement must be included with the parent's/guardian's authorization. Students bringing medication to school should be sent to the office.

E.17 HOMELESS STUDENTS

Homeless children and unaccompanied youth must have access to public school educational programs and services that allow them to meet the same challenging state academic standards to which all students are held. If you are aware of a child who may be homeless, contact your building principal or the pupil services director.

[Policy 5111.01](#) – Homeless Students (Students)

E.18 MAKE-UP SCHOOL WORK FOLLOWING A STUDENT ABSENCE

A student whose absence was excused (except for an expelled student) shall be permitted to make up course work and any quarterly, semester, or grading period exams missed during the absences when they return to school. Make up school work procedures are outlined in the following policy:

[Policy 5200](#) – Attendance (Students)

Certified staff shall have the discretion to assign substitute course work and exams.

Credit in a course or subject shall not be denied solely because of a student's unexcused absences from school. Students with unexcused absences shall be permitted to make-up course work and any quarterly, semester, or grading period examinations missed during the absence if the student is at risk of receiving no credit in a course or subject if the work is not made up.

Subject to the immediately preceding two (2) paragraphs, credit may be, but is not required to be given for the completion of make-up work. Further, credit for make-up work may be given only after the student has satisfied consequences imposed for unexcused absences. The extent to which make-up credit is given shall be determined on a case-by-case basis by the principal and the respective certified staff. If make-up work has been assigned, it is the student's responsibility to contact their teachers to determine what course work and examinations must be made up. Teachers shall have the discretion to assign substitute course work and examinations. Teachers shall also have the discretion to specify where and when examinations and course work shall be completed, including outside regular school hours.

The time for completing the work shall be commensurate with the length of the absence, unless extended by the principal based upon extenuating circumstances. The teacher has a responsibility to give students any needed help and direction, but it is the student's responsibility to see that all work is completed and turned in on time. Students should see a counselor or building principal if there are special circumstances.

[Policy 5200](#) – Attendance (Students)

E.19 MONITORING STUDENT TECHNOLOGY USE

Although there are technical filtering and monitoring systems in place, it is the responsibility of staff members to monitor student technology use. This can be done by making sure screens in rooms are visible at all times, not allowing students in the room unless supervised, and integrating appropriate and ethical use into instruction.

E.20 PARENT/TEACHER CONFERENCES

Time for parent/teacher conferences is scheduled at each school a minimum of once per year. At Ashland High School parent/teacher conferences will be scheduled twice per year. Teachers are expected to keep parents/guardians informed of student progress as well as significant behavior problems which may exist. A record should be kept of conversations with parents/guardians about their child's progress. Aside from the regularly scheduled conferences, a parent/guardian or teacher may request a conference any time one is deemed necessary.

E.21 PERMISSION SLIPS

It is the responsibility of the teacher/supervisor/advisor to ensure that all students K-12 have a permission slip signed by their parent/guardian on file with the classroom teacher before being permitted to join in a field trip that takes students away from the building. A written notice describing the trip must be given to students five (5) days in advance of the date of the trip.

E.22 PERSONAL COMMUNICATION DEVICES (PCDs)

Students are expected to adhere to the District's policy on Personal Communication Devices: [Policy 5136](#) - Wireless Communication Devices.

E.23 PLEDGE OF ALLEGIANCE

All schools are required to offer the Pledge of Allegiance each school day. Staff and students who choose not to recite the Pledge of Allegiance shall not be required to do so, but shall not be disruptive while the rest of the school is participating.

E.24 PROFESSIONAL BOUNDARIES

Staff are expected to maintain a professional relationship with students. Employees have the responsibility to provide an atmosphere conducive to learning and are expected to model the behavior expectations of students. Employees are prohibited from dating, courting, or entering into a romantic or sexual relationship with any student enrolled in the School District regardless of the student's age. It is the ethical responsibility of all to be aware of boundary crossings and to report known incidents to administrators.

E.25 RELIGIOUS BELIEF ACCOMMODATIONS

Upon written request, students may be excused from a classroom activity or from portions of the established course of instruction where the instructional content would violate the child's religious beliefs. Students may be required to complete an alternative assignment or course of instruction to meet course requirements.

E.26 STUDENT ACCIDENTS/ILLNESS/CONCUSSION

The Board of Education believes that school personnel have certain responsibilities in case of accidents, illness or concussions that occur in school. Said responsibilities extend to the administration of first aid by persons trained to do so, summoning of medical assistance, notification of administration personnel, notification of parents/guardians, and the filing of accident reports. Staff should follow the procedures found in the EMERGENCY RESPONSE PLAN under ACCIDENTS. A copy of the plan is located in each classroom.

Suspected Concussion Management - The signs, symptoms, and behaviors of a concussion are not always apparent immediately after a bump, blow, or jolt to the head or body, and may develop over a few hours. A student should be observed following a suspected concussion, always under direct supervision and never left alone.

1. No student should return to any school-related physical activities on the same day of a suspected concussion.
2. Any student suspected of having a concussion should be evaluated by an appropriate health-care professional that day.
 - i. Inform the student’s parents/guardians about the possible concussion. Provide the parent/guardian with information about concussions and return to school-related physical activity procedures. Inform the parent/guardian to discuss any student academic concerns with the appropriate school personnel.
3. Give custody of the student over to the parents/guardians.
4. Any student with a concussion should be medically cleared by an appropriate health-care professional prior to resuming participation in any school-related physical activity.
5. After medical clearance, return to school-related physical activity should follow a step-wise protocol with provisions for delayed return to school-related activity based upon return of any signs or symptoms.

Policy 5340 - Student Accidents/Illness/Concussion

E.27 STUDENT DISMISSAL

No student shall be allowed to leave the school grounds during the school day without the consent of the principal or designee. It shall be the teacher’s responsibility to make certain that the principal or designee has given this approval before releasing the child.

E.28 STUDENT EARLY DEPARTURE

Students requesting early dismissal must bring a written excuse from a guardian to the office. Only excuse the child if they have written notice signed, or a call has been made by the office or the health assistant. Occasionally, emergencies arise and parents/guardians may request to pick up their child early. In such a case, you will be notified by an adult from the office. When the student returns during the school day, the student will stop in the office to check in. Guardians may send notes or make calls to let the teacher know of illnesses or appointments. Guardians may be called if their student becomes ill during the day. When the guardian arrives in the office to pick up the student, a staff member will call the classroom to have the student come to the office. Only direct adult communication will result in a child going home during the day.

E.29 STUDENT HANDBOOK

Each school has a student handbook. Each employee is to familiarize himself/herself with the information in their building's handbook. Employees are responsible for supporting the rules and guidelines for students. The District expects its staff to assist the District in enacting these rules.

E.30 STUDENT SUBSTANCE ABUSE/SUICIDAL IDEATION

If an employee suspects abuse or suicidal ideation, an employee must immediately contact the guidance department or principal's office. All an employee has to do is to suspect that something is amiss; the employee does not need to know for a fact that a young person is in trouble. An administrator will, at some point, ask for the details that roused the suspicion, but those questions will be posed only to gain information. The employee will generally not be asked to provide justification for any action that the administration chooses to take with a student. [Resources regarding suicide prevention can be found on DPI's website.](#)

E.31 STUDENT TRANSPORTATION IN PRIVATE VEHICLES

In emergency situations an employee may, with the permission of the building principal or superintendent, transport students in his or her private vehicle. The employee must meet all state law requirements for alternative transportation. Before using the vehicle for such purposes, the employee will be made aware that his or her personal auto insurance will serve as the primary source of coverage. Employees have the right to refuse to transport students in their personal vehicles.

E.32 SUPERVISION OF STUDENTS

The Board of Education expects all students to be under assigned adult responsibility when they are in school, traveling under school auspices, or engaging in school-sponsored activities. School personnel assigned to students are expected to act as reasonably prudent adults in providing for the safety of students in their charge.

In keeping with this, reasonable and prudent arrangements can/will be made for students and staff working on independent, experiential, and authentic projects. For the Board's expectation in this regard, administrators should refer to the policies below.

ADDENDUM F - NOTICE OF SCHOOL DISTRICT POLICIES ON SEX DISCRIMINATION, THE DISTRICT'S TITLE IX COORDINATOR(S), AND PROCEDURES FOR REPORTING OR FILING A COMPLAINT OF SEX DISCRIMINATION

Title IX Nondiscrimination Policy Statement –

As mandated by the current provisions of Title IX of the Education Amendments of 1972 and under the regulations set forth in Chapter 106 of Title 34 of the Code of Federal Regulations (“the federal Title IX regulations”), the District does not unlawfully discriminate on the basis of sex in any education program or activity that the District operates. Title IX’s requirement not to discriminate in any education program or activity extends to cover, but is not limited to, District students, certain admissions processes, and District employment. Inquiries regarding how Title IX and the federal Title IX regulations apply to the District may be referred to a District Title IX Coordinator (as designated below), to the Assistant Secretary for Civil Rights at the U.S. Department of Education, or to both.

The District’s commitment to nondiscrimination under Title IX and under other state and federal laws is further defined in the following policies of the School Board: Policy 2266, Policy 5517, Policy 5517.01, Policy 2260, Policy 2260.01, Policy 3362, Policy 3362.01, Policy 4362, 4362.01.

District Title IX Coordinators –

The District employees who hold each of the positions identified below serve as Title IX Coordinators for the District:

Business Manager
2000 Beaser Ave
(715) 682-7080
Ashland, WI 54806

Reporting Sex Discrimination –

Any person (including a person who is not claiming to have been personally harmed/victimized by the alleged discrimination) may report a concern or allegation regarding prohibited sex discrimination (including sexual harassment) to the District. Such reports may be submitted as follows:

1. To a District Title IX Coordinator, either in person, by U.S. mail, by telephone, or by electronic mail, using the contact information listed above. In-person reports should be made when the Title IX Coordinator is reasonably available during regular working hours. Reports submitted by telephone, mail, or electronic mail may be made at any time.
2. By any other means that results in a Title IX Coordinator actually receiving the person’s verbal or written report.

Filing Formal Complaints of Title IX Sexual Harassment –

As required by the federal Title IX regulations, the District has established a formal grievance process for investigating and resolving “formal complaints” of “sexual harassment,” as those terms are defined in the regulations.

An individual who is alleged to be the victim of conduct that could constitute sexual harassment under the federal Title IX regulations (i.e., a Title IX “complainant”), or a parent or guardian who has a legal right to act on behalf of such an individual, may file a formal complaint of sexual harassment. No Title IX complainant is obligated to file a formal complaint, but a qualifying formal complaint is necessary for the District to start an investigation using the District’s formal Title IX grievance process.

Complainants are expected to file formal complaints of sexual harassment with a District Title IX Coordinator by submitting a document or electronic submission in person, by U.S. mail, or by electronic mail, using the contact information specified above. Additional requirements for formal complaints of Title IX sexual harassment, including a description of the required content for a formal complaint, are set forth in Policy 2266 within the School Board’s policies.

District Response to Reports and Complaints of Sex Discrimination and to Formal Complaints of Sexual Harassment under Title IX –

The District has established grievance procedures through which the District structures its response to reports that allege unlawful discrimination on the basis of sex in any education program or activity of the District. Those procedures are set forth in Policy 2266 as published on the District’s website. The purpose of such procedures is to provide for the prompt and equitable resolution of any report or complaint of alleged sex discrimination, excluding formal complaints of sexual harassment under Title IX (which are subject to a different process).

Any time the District has actual knowledge of sexual harassment or allegations of sexual harassment that could constitute a violation of Title IX, the District has obligations to respond to such knowledge in a manner that is not deliberately indifferent and in a manner that treats the alleged victim(s) of sexual harassment and the alleged perpetrator(s) of sexual harassment equitably. Such a response includes, but is not limited to, offering supportive measures to a complainant and investigating and resolving any formal complaint that presents allegations of Title IX sexual harassment using the formal grievance process the District has adopted for such formal complaints. District procedures for responding to alleged sexual harassment under Title IX, including the formal grievance process, are set forth in Policy 2266 as published on the District’s website.

ADDENDUM G - PANDEMIC WORKPLACE PROTOCOLS

We recognize staff may have fears and anxiety about contracting COVID-19 in the workplace. The following workplace protocols will be in effect during the COVID-19 pandemic for your safety and the safety of others. These mandatory protocols, in addition to health and hygiene procedures outlined in other areas of this document, are designed to mitigate your exposure to COVID-19 in the workplace, but will not necessarily prevent you from nevertheless contracting the disease. However, fear of contracting COVID-19 is not a condition that prevents staff from reporting to work.

The following protocols may be amended from time to time at the discretion of the District Administrator as COVID-19 guidance and recommendations continue to evolve and/or circumstances dictate. If the employee is unable to return to work due to a reason related to COVID-19, they must contact the Business Office.

If you do not wish to take leave and believe you are able to continue to work from home, the District may consider such a request after taking all considerations into account on a case-by-case basis.
- b. Employees must stay home if they are exhibiting symptoms and seeking a COVID-19 diagnosis (being tested): Employees must contact the Business Office to determine next steps. Families First Coronavirus Response Emergency Leave or other staff handbook leave provisions (sick leave, for example) may apply and be available upon request.
- c. Specific period of leave depending upon symptoms: Employees who have COVID-19 related symptoms of respiratory illness must stay home for at least 10 days and may not come to work until all symptoms have resolved AND until they have been fever free (>100.4°F) for at least two days (24 hours) without the use of fever-reducing medicine unless they have received medical clearance from their physician.

The District will maintain confidentiality as required by privacy laws and will not disclose the employee's identity or anything about the employee's illness with other staff members who do not have a "need to know."

4. DEVELOPING SYMPTOMS WHILE AT THE WORKSITE

- a. Employees who become ill with symptoms of respiratory-like illness at work during a pandemic must leave the workplace. This means that if the employee is sick or experiencing fever (<100.4°F) AND/OR respiratory symptoms (for example, cough, shortness of breath, sore throat, chills), they will be directed to immediately go home.
