

# School District of Ashland

## Skyward Family Access

The School District of Ashland uses Skyward for its on-line student information system. The Skyward Family Access portal allows all parents/guardians and students to track their students' academic progress. Skyward Family Access allows parents/guardians and students to view student information such as; attendance, schedules, assignments, messages from staff, fees, district calendar, discipline and much more. It also provides the ability; pay on food service accounts, pay school fees and to contact your students' teachers via email. Information available in Skyward Family Access may vary from school-to-school and vary depending on the time of year (schedules and grades may only be visible at certain times).

### **Skyward Family Access Account:**

All Parents/guardians have an account (login and password) to view the information for all their children. Students will automatically receive their login and password upon enrollment and can only view their own information.

To log into Skyward Family Access, go to our website at [www.ashland.k12.wi.us](http://www.ashland.k12.wi.us). In the Oredocker links section, on the left side of the home page, click on Skyward Family Access. Enter your login and password. Click on Sign In.

### **To obtain a login id and password:**

- Contact a secretary at a building where one of your students attend.
- Tell them the purpose of your phone call.
- They will verify or enter your e-mail address in your family account.
- Go to our website at [www.ashland.k12.wi.us](http://www.ashland.k12.wi.us). In the Oredocker links section, on the left side of the home page, click on Skyward Family Access.
- Click on Forgot Your Login/Password link. Follow the steps outlined in this procedure.
- You will receive an e-mail from Skyward with your information.

If you are still unable to log into Skyward Family Access, contact that building secretary again. She will assist in getting your login and password to you.
