

Special Education

Substitute Training

All Schools

- In the sub folder, you will find an IEP at a Glance form for any student with an IEP. See handout of example of IEP at a Glance.
- In the sub folder, you may find a behavior plan for a student along with the IEP at a Glance.
- In some classes, paras will arrive with students. Please utilize the knowledge and skills of the paraprofessionals. They are fantastic resources.
- If you have questions, always ask!

IEP at a Glance

Special Education Department Planning for 2018-19

Goal(s):			

Elementary Level

1. Don't hesitate to call a case manager listed in the IEP at a glance for any students you have questions for.
2. There are many paras in the building supporting students, please don't hesitate to ask them questions.
3. Most students with IEP's are mainstreamed in the regular education classes and only pulled from them for specialized instruction.

Middle School

1. Don't hesitate to call a case manager listed in the IEP at a glance for any students you have questions for.
2. There are many paras in the building supporting students, please don't hesitate to ask them questions.
3. Most students with IEP's are mainstreamed in the regular education classes and only pulled from them for specialized instruction.

High School

1. The AHS teachers teach classes like the regular ed teachers.
2. In the sub folders, look for important information about needs of specific students including behavior plans and health plans.
3. There is a resource room available every period for special education students to go to if they need help.
